

I Want to be an NMASS Member!

NMASS members are working people, including injured workers, students, mothers working in the home, retirees, unemployed persons, and people from all communities and walks of life. Together we're:

- *Fighting long hours and other sweatshops conditions where we work & live.*
- *Holding government & business accountable for working people's health.*
 - *Taking back control over our communities and lives.*
- *Building a new labor movement that not only fights for improvements, but fights for long-term systemic change.*
